FM 2642 – Nightly Road Closures

June 19, 2024

PARIS – Texas Department of Transportation officials today announced upcoming nightly road closures from 7 PM to 6 AM, for FM 2642 between IH-30 and TX HWY 66. The dates for the road closure are as follows:

-Monday, June 24th thru Friday, June 28th

-Monday, July 1st thru Wednesday, July 3rd

-Friday, July 5th thru Saturday, July 6th

Be advised that items required to close these lanes are weather-dependent and therefore the dates may slide. Changeable Message Boards are in place on the project, and any shift in dates will be posted.

Motorists who travel in this area are asked to pay special attention to all signs, barricades, and traffic controls, and reduce their speed as they approach work zones. Detours will be implemented with detour signage directing motorists to alternate routes. Motorists should also be prepared for rough pavement and brief traffic delays, and avoid distractions such as cell phones, eating, drinking, or car audio or navigation systems.
