

ATTN: Parents/Guardians of Royse City ISD Students

Due to the growth of our district the RCISD Transportation Department has moved ALL students from their previous VERANDAH bus routes used in the 2016-2017 School Year and has assigned one single bus to transport Verandah students.

The new route for Verandah is the MOOSE BUS #146. The new route pick up/drop times and bus stop locations will be available on our WebQuery (Under the **FIND YOUR BUS** link located on our Transportation Web Page) by 8:00 AM tomorrow morning.

Here is a direct link to the WebQuery: <https://ewa.edulogweb.com/roysetx1web/webquery/WebQueryRequestController>

Please feel free to contact Jennifer Nail at **972.636.9732** or email jennifer.nail@rcisd should you have any additional questions or concerns.

Thank you,

Jennifer Nail
