Re: FM 2642 Road Closure 8-24-25

From: Clint Krnavek, P.E. Project Manager, Lamb-Star Engineering

Dear Homeowners of Verandah HOA,

We will try again for the road closure of FM 2642 from I30 to HWY 66 this coming Saturday early AM into Saturday afternoon (2AM Saturday to 2PM Saturday). There will be a tour route. The intent is for this closure to begin north of Verandah to south of FM 2650, minimizing disruption to Verandah and Valor Farms. Thank you for your patience and understanding.

Regards
