Community Pool Closure Notice

Dear Residents,

We regret to inform you that our community pool will be closed until further notice. This closure is necessary due to a missing drain cover at the bottom of the pool. As per Hunt County pool regulations, we are required to have this component in place before the pool can be reopened.

Our vendor placed an order for the replacement part this morning, and we are currently awaiting its delivery. We understand the inconvenience this may cause and appreciate your patience as we work to resolve this matter promptly.

We will provide an update as soon as the replacement has been installed and the pool is ready for use again. Thank you for your understanding and cooperation.

Sincerely,

Essex Association Management

On behalf of the Verandah HOA
